Professional Experience

Mehmet Munur is an attorney at Tsibouris & Associates, LLC. He concentrates his practice in the areas of technology law, information privacy and security, financial services, and related transactional law.

Mr. Munur works on the contracts for internet-based services, including drafting terms of use, privacy policies and other online legal agreements relating to payments, purchasing, and supplier portals. He also regularly works with clients on servicing, financing, payments, and technology outsourcing agreements.

Mr. Munur advises clients on privacy issues, laws, and regulation. More specifically, he advises clients on issues relating to GLBA, CAN-SPAM, FCRA, FACTA, HIPAA and HITECH regulations, and US Department of Commerce Safe Harbor certification and compliance. He also has experience with Canadian and European privacy laws.

In addition, he has experience in electronic money, payments, banking and card association regulations, and other financial services. He has worked on both the regulatory aspects and the contractual aspects of this area of the law.

Mr. Munur has experience in a variety of other areas including electronic commerce, payments, electronic signatures, records retention, data breach incident response, trademark prosecution and other intellectual property disputes, software licensing and audits, anti-money laundering laws, Office of Foreign Assets Control and other export-import regulations.

He also has experience in other areas of the law connected to technology, including drafting workplace policies relating to social media, records retention and destruction, security incident response policies, and other policies that touch on technology, security, and privacy areas.

Mr. Munur conducts presentations on security, privacy, and technology issues. He is the current chair for the International Association of Privacy Professionals KnowledgeNet in Columbus, Ohio.

Mr. Munur graduated from Capital University law school (J.D., magna cum laude) and is admitted to the Ohio bar. He also graduated from Ohio Wesleyan University (B.A. cum laude).

Continued

While in law school, Mr. Munur was the Executive Research Editor for the Capital University Law Review and participated in moot court. He was published in both the Law Review and the Capital University Corporate and Business Law Association Journal.

Mr. Munur completed a judicial externship with the Honorable George C. Smith at the U.S. District Court at the Southern District of Ohio and clerked with Tsibouris & Associates for over a year before joining the law firm.

Mr. Munur is a member of the American Bar Association, Ohio State Bar Association, Columbus Bar Association, International Association of Privacy Professionals (IAPP), and Information Systems Security Association (ISSA). He is also a Certified Information Privacy Professional (CIPP).
