

Mehmet Munur **Attorney**

Professional Experience

Mehmet Munur is a Partner at Tsibouris & Associates, LLC. He concentrates his practice in the areas of technology law, data privacy and security, and financial services.

Mehmet works on the contracts for internet-based services, including drafting and negotiating software licenses, terms of use, privacy policies and other technology agreements. Mehmet regularly advises clients on technology outsourcing agreements, servicing, financing, and payments.

Mehmet also advises clients on privacy issues, laws, and regulation on the state, federal, and international level. More specifically he advises on issues relating to the FTC Act, GLBA, CAN-SPAM, FCRA, FACTA, HIPAA and HITECH regulations, and U.S. Department of Commerce Safe Harbor certification and compliance. Mehmet also has in-depth experience with international privacy laws. He advises clients on all international privacy and data protection issues, including privacy laws in the Asia-Pacific, Canada, South America, and Europe. Mehmet has extensive experience with building and maintaining enterprise-wide privacy and compliance programs. He also advises clients on specific issues relating to cross-border data flows and effects of new technologies on privacy and data protection compliance.

Mehmet advises clients with a wide-range of legal issues relating to information security, including incident response, data breach notification, National Security Letters and other governmental requests for information. Mehmet also advises clients with issues relating to financial services regulation, including banking, payments, student lending, electronic money, card association regulations, and others.

Mehmet graduated from Capital University law school (J.D., magna cum laude) and is admitted to the Ohio bar. He also graduated from Ohio Wesleyan University (B.A. cum laude). While in law school, Mehmet was the Executive Research Editor for the Capital University Law Review and participated in moot court. He was published in both the Law Review and the Capital University Corporate and Business Law Association Journal. Mehmet completed a judicial externship with Honorable George C. Smith at the U.S. District Court at the Southern District of Ohio and clerked with Tsibouris & Associates for over a year before joining the law firm.

Mehmet is a member of the International Association of Privacy Professionals (IAPP). He is also a Certified Information Privacy Professional (CIPP). Mehmet has presented on privacy and security issues with various trade associations.
